ORDER NO.

SUBJECT:

DOCKET NO. 2011-158-E - Application Regarding the Acquisition of Progress Energy, Incorporated by Duke Energy Corporation and Merger of Progress Energy Carolinas, Incorporated and Duke Energy Carolinas, LLC - Discuss with the Commission the Approval of Duke Energy Carolinas, LLC and Duke Energy Progress, Incorporated's Joint Generation and Transmission Planning Agreement.

COMMISSION ACTION:

No party has objected to approval of the Joint Generation and Transmission Planning Agreement filed by Duke Energy Carolinas, LLC and Duke Energy Progress, Inc. Having reviewed the Agreement, I move that the Commission approve the Joint Generation and Transmission Agreement as being in the public interest and as a logical next step in the integration of the companies. If implemented, such joint planning should improve efficiencies and have a positive impact for ratepayers. The implementation of the Agreement will raise other issues that will require further review by this Commission at such time as the companies are ready to proceed.
